Facility Type:

- Individual Residential
- Small Multiple Unit Residential (no groundwater discharge permit)
- Large Multiple Unit Residential (requires a groundwater discharge permit)
- Small Commercial (no groundwater discharge permit)
- Large Commercial (requires a groundwater discharge permit)

Prioritization Factors. Please check all that apply to your application:

- Project is located either within Chesapeake or Coastal Bay Critical Areas
- Project upgrades a replacement or repair of a failing OSDS.

Note to the Applicant - Upgrade costs pertain only to the cost of the engineering, inspection, maintenance contract for the first five years, and the cost of the unit only. All other necessary sewage disposal system costs including conventional tank, distribution network, or effluent dispersal method replacements encountered or required by the local approving authority during the unit installation are to be paid by the property owner/applicant.

* Please note, this is only a Pre-Application and the completion of this form does not guarantee the availability of funds to the applicant.
