

## Death by Opioid Overdose May Be Preventable!

Painkillers such as Oxycontin or Percocet, and street drugs like heroin are known as OPIOIDS.

# FREE Naloxone Training

The FIRST Monday of every month at 5:30 p.m.

Please Call 410-778-5980 to register.

Naloxone is a medication that can rapidly reverse an opioid overdose.

If someone you know is abusing prescription painkillers, heroin or other opioids, sign up for free training on how to safely use this life-saving medicine.
