

Hope in Tomorrow!

Hope in Recovery!

Kent County, like so many communities nationwide, is suffering from the effects of the Opioid Epidemic. Please join us for an evening of shared experiences, facts about this Crisis, how to access treatment resources, and the hope of recovery. This evening will include guest speakers in long-term recovery & law enforcement, free Narcan training, access to local treatment providers, and a full scale mock bedroom. **BRING SOMEONE WITH YOU!**
