What to know on the day of your vaccine:

- Bring a photo ID (and your CDC vaccination card if you are coming for your booster)
- Wear short sleeves and a face mask.
- If you have been COVID-19 positive defer vaccination until you have recovered from the acute illness (symptoms) and criteria have been met to discontinue isolation.
- If you have been advised to quarantine due to an exposure to a positive COVID-19 case, wait until the quarantine period is finished to make an appointment.
- You will be asked to use hand sanitizer upon entering the building, complete a verbal health screening and have your temperature taken.
- There will be an observation period following COVID-19 vaccination. Individuals will wait for 15 minutes and will be released when the observation period is over.
- A parent/guardian must accompany all children aged 5-17.
