Kent County Health Department's Lynchburg St. Building Closed Thursday, January 7th, 2021

January 06, 2020-A Kent County Health Department employee has tested positive for COVID-19. The employee was last in the 125 S. Lynchburg Street building on Wednesday, January 6th. Kent County Health Department is taking immediate action to protect everyone involved and has begun contacting persons who may have been exposed. In addition, effective 4:00 pm today January 6, 2021, the Kent County Health Department's Lynchburg Street building will be closed for disinfecting and is scheduled to reopen on Friday, January 8, 2021.

This building closure does not affect our off-site COVID-19 testing clinic. Persons with an appointment for COVID-19 testing at our off-site clinic on Thursday, January 7th should still arrive as scheduled.
