

BAY RESTORATION FUND (BRF) APPLICATION FOR FINANCIAL ASSISTANCE

GENERAL INFORMATION

Individual forms must be completed for each proposed project for which Bay Restoration Fund grant and/or loan funds are being requested. Upgrade costs pertain only to the cost of the engineering, inspection, maintenance contract for the first two years, and the cost of the unit only. All other necessary sewage disposal system costs including conventional tank, distribution network, or effluent dispersal method replacements encountered or required by the local approving authority during the unit installation are to be paid by the property owner/applicant.

Please note that this is an application only, and does not guarantee the availability of funds.
